**NOTICE REGARDING REPLACEMENT OF LIFE INSURANCE OR ANNUITY**

Owner and Producer must sign and date at the time of application

You have been offered a new annuity contract to replace your existing annuity contract or life insurance policy.

Before you replace your existing annuity contract or life insurance policy, you should consider the financial gains and losses of replacement.

You may incur additional costs to acquire the new annuity contract which may include the payment of commissions to the agent advocating the replacement of your existing contract or policy.

To make an informed decision about the replacement of your existing annuity contract or life insurance policy, you should discuss the provisions of that contract with the producer of insurance or the insurance company which issued it to determine whether your existing annuity contract or life insurance policy may be revised to meet your present needs.

Your new annuity contract provides 30 days for you to decide if you wish to keep it. The producer of insurance or insurance company which is offering to replace your existing annuity contract is required to obtain your signature on this notice and to notify your existing insurance company that you are considering the replacement of your existing annuity contract.

I have read this notice and received a copy of it for my records. If replacing a fixed annuity contract, I have also received a copy of the written comparison of the proposed annuity contract and my existing annuity contract.
